

My joy might remain in you,
and that your joy might be full ...
If you keep My commandments

This piece with the Scripture title “My joy might remain in you, and that your joy might be full ... If you keep My commandments” takes a certain amount of virtuosity. Do not let virtuosity attract to itself. Virtuosity gives us more options for expression. But let the virtuosity attract to aesthetic beauty, power, and eloquence.

The Scripture title of this piece is an invitation with RSVP instructions. The RSVP instructions are not to earn the invitation but rather to be open to the invitation. No earthly power nor circumstance can stop or start this invitation except our choice. “That your joy might be full” is an amazing offer to us in our part of human history! This piece is a musical expression of the Scripture title “My joy might remain in you, and that your joy might be full ... If you keep My commandments”.
